

Letter from the President, WVLBC – November 1, 2020

Dear WV Lawn Bowling Club Members,

**The Winter Indoor Season continues! (Note: new evening draw and practise times added.)**

Happy November members; I hope you are all enjoying (regretting?) your post-Hallowe'en sugar overdose. If anyone needs a few boxes of Smarties please give Dorothy a call. Soon.

Attached please find the updated Schedule of Play for Indoor Bowling. We have added two more blocks of time for evening play – Tuesdays and Fridays at 5:30pm. This is being made available especially for people who are not able to register for the 1:30pm draws because of work or other commitments.

Thank you to Radka and Deb for suggesting the scheduling and for volunteering to convene and monitor the two sessions.

If you want to register for either or both, please email Radka on Monday of the week you wish to bowl. Please see attached schedule for details. Evening sessions start this week, i.e. the week beginning November 1<sup>st</sup>.

**Remember: masks are mandatory, keep your distance, sanitize equipment and chairs, and wash your hands religiously.** Thank you for your cooperation and thank you to Jeannette and Bodie for convening and monitoring the daily draws and Wednesday league; they are both working hard.

### **The Contributions**

Many thanks to the members who have forwarded contributions to support club finances. The response is heartwarming. We will report fully on this shortly. Let it be said that the members' hearts are in the right places. All contributions are welcome and appreciated.

Best wishes.

Gordon Maynard, President WVLBC
